Dear Clive

I was mulling over how to respond both to the points raised in your letter dated 26 April 2022, and to your request for a meeting, when I learnt that you had already chosen to raise your concerns in the press.

Given that you have taken this route I'm afraid I will not be offering you a meeting.

Rather, I encourage you to engage seriously in the On the Way process in your local community.

If you have continuing concerns these should best be raised in your PCC and by the normal synodical processes by which we work.

With best wishes,

THE RT REVD PHILIP MOUNSTEPHEN
BISHOP OF TRURO
